Chiefly Speaking...

Good morning! If you are still absolutely exhausted then your conclave experience is almost completed. I know that I will sleep the whole way home. However, I think that it is only appropriate that I recognize those who helped me this year. First, hats off to Alapaha lodge. I know everybody agrees that this was an awesome conclave! Also, a big thank you goes to my CVC's and Lodge Chiefs. These guys were behind me 100% of the way. Please be sure to give these guys a pat on the back.

As we leave our last SR-4N conclave, I hope each one of us thinks about the bonds of brotherhood we have formed, past and present. Please remember your old and new brothers and keep in contact, even if they are in different sections. Finally, the last thank you goes to YOU, because without you this would not have been the largest conclave in our history.

According to Friday night's newsletter, what was the UV index for yesterday the 19th?

The first Arrowman to tell Trey the answer will win the last prize.

Hello and Goodbye

Hello and Goodbye SR-4N! It has certainly been an outstanding conclave. On behalf of Woa Cholena, I would like to thank Alapaha Lodge for their hospitality. I know every member of Woa Cholena has had a positive experience at the longest SR-4N conclave ever! It saddens me that this is the last time we will be together as a section. However, I hope we take all the positive experience and skills we have learned in SR-4N and take it to our new sections. We should all look at this in a positive way and wake the best out of the situation. I know that this will not be the last time we will see each other. We shall all meet again in the future at NOACs and Jamborees. I look forward to meeting you in the future.

Happy Birthday To Us!

If you haven't already heard, Yustaga is turning 60 this year. For this event, we have thanked our starting lodge, Alibamu, as well as had various presents and celebrations for our lodge. Our year long celebration will continue in two weeks at our Spring Fellowship as well as our other events. I hope that all of you have a great year and that conclave was a great experience and a wonderful send off of SR-4N.

Pilthlako Farewell

I have been to four conclaves and I have to say this is the best conclave yet! I thank the host lodge for their service and I hope to see the loges that are moving to SR-4 next year and wish a farewell to all of our friends in the other lodges. Thank you all for making conclave a wonderful event for Pilthlako lodge. Have a safe trip back home.
